Jeaneanne – Please see the attached draft response to John Truitt’s letter regarding their request that EPA hold multiple public hearings during our 404 assumption review period. I’m also attaching Mr. Truitt’s letter to EPA for context. I am mindful that this is the first official written communication from EPA on 404 assumption in FL and that EPA’s ultimate action could likely be litigated. If you have any questions or wish to discuss please let me know. Tom (404-821-9067)
